

BIG UNIVERSITY INDIVIDUALIZED SUPPORT

The University of Arizona is a world-class research university that offers more than 130 majors, Division I athletics and over 500 student clubs and organizations. The SALT Center provides individualized educational planning, learning strategies, tutoring and educational technology to help students achieve success in an academically rigorous environment. Use the SALT Center to maximize your success at the UA.

WHAT IS THE SALT CENTER?

- ▶ The SALT Center is a fee-based academic support program that provides a comprehensive range of services to UA students with learning and attention challenges.
- ▶ The SALT Center facilitates learning, self-advocacy and independence by empowering students to take ownership of their education.
- ▶ The SALT Center's innovative approach is recognized nation-wide as one of the most successful for promoting student achievement in the university setting.

SALT CENTER SCHOLARSHIP AWARDS

- ▶ The SALT Center offers a limited number of need-based scholarships to help subsidize the fee to participate in the program. Scholarship awards are valid for one academic year.
- ▶ SALT Center Scholarship Awards are funded by donations from our generous benefactors.
- ▶ Scholarship applications are available in January on the SALT Center website. The deadline is **March 1**.

VISIT US

TASTE OF SALT

To learn more about the SALT Center, please join us on Friday mornings for **Taste of SALT**. This group presentation includes:

- ▶ A brief overview of the academic support services offered at the SALT Center
- ▶ An opportunity to talk with current UA students who use SALT Center services
- ▶ An explanation of the application process

DASH OF SALT

If you cannot attend a presentation on Friday, visit us Monday through Thursday for **Dash of SALT**. This individual appointment includes:

- ▶ A brief overview of the academic support services offered at the SALT Center
- ▶ An explanation of the application process

For dates, event times, locations and to register, visit salt.arizona.edu

To register for a **UA CAMPUS AMBASSADOR TOUR** and **TASTE OF SALT**, visit: admissions.arizona.edu/visit-ua/ambassador-tours

SALT CENTER

MAXIMIZING SUCCESS FOR STUDENT WITH
LEARNING AND ATTENTION CHALLENGES

STUDENT PROGRAMS & SERVICES

Strategic Learning Specialists at the SALT Center help students manage their learning and attention challenges with a variety of student programs and services. Students meet with their Strategic Learning Specialist every week for a 30-minute appointment.

Programs & Services Provided by Strategic Learning Specialists Include:

INDIVIDUALIZED LEARNING PLANS that are developed by the student and their Strategic Learning Specialist. These plans are not static documents, but dynamic concepts that evolve and grow with each student. Individualized Learning Plans are created and utilized via the following:

- ▶ Open communication between the student and the Strategic Learning Specialist
- ▶ Referral to SALT Center and other campus resources
- ▶ Accountability and encouragement for students as they take ownership of their educational outcomes

LEARNING STRATEGIES INSTRUCTION

Based upon the student's unique strengths and challenges

WORKSHOPS AND SKILL DEVELOPMENT SEMINARS

To support the unique needs of students who use SALT Center services

LEARNING SUPPORT SERVICES

The SALT Center's tutoring program is certified by the College Reading and Learning Association (CRLA). In order to help students achieve academic success, peer tutors introduce them to a wide variety of methods, demonstrating how to use visual, auditory and kinesthetic strategies to begin, develop and refine their work. The goal of each session is to create an optimal learning environment that facilitates independent and lifelong learning.

Types of Tutoring Sessions Available to Students Include:

ONE-ON-ONE tutoring sessions for most courses

SMALL-GROUP student sessions for two or more students in a common course

LARGE-GROUP reviews for specific subjects before exams

WRITER'S LAB

- ▶ Assistance with any writing assignment across the curriculum
- ▶ Drop-in sessions and appointments are available

MATH & SCIENCE LAB

- ▶ Assistance with math and math-based science courses
- ▶ Drop-in sessions and appointments are available

READING LAB

- ▶ Assistance with reading assignments in any course
- ▶ Drop-in sessions and appointments are available

EDUCATIONAL TECHNOLOGY

The SALT Center offers an array of Educational Technology to support students who learn differently. As SALT Center services expand to keep pace with the growth of technology, our focus will remain on providing assistance, maximizing the potential of existing technology and pioneering new innovations within our physical and virtual learning landscape.

Educational Technology Resources & Support Services Include:

INTEGRATED TECHNOLOGY: space throughout the building where you can plug in your own device and work on your own or in collaboration with other students and tutors

TECHNOLOGY CONSULTATIONS: appointments with peer tech coaches for assistance with learning new programs, discovering educational apps, and navigating online courses

ASSISTIVE TECHNOLOGY: Text to Speech, Speech to Text, Audio Note-Taking Apps

SALT CENTER PORTAL: a virtual information center housed within the UA online course management system

LEADERSHIP OPPORTUNITIES

Students can take advantage of leadership roles at the SALT Center by becoming a **SALT Center Ambassador**, **Peer Tutor** or **Peer Tech Coach**.

PSYCHOLOGICAL SERVICES

Psychological services are available by referral for students seeking short-term counseling for academic and personal matters.
