

ABLE CLINIC

Assessment of Behavior and Learning for Excellence

ABLE Clinic

The ABLE Clinic is now part of the SALT Center at the University of Arizona. Our experienced team expands the SALT Center's Clinical Services by providing comprehensive evaluations to adults and children aged 6 and above.

Our Services

- **PSYCHOEDUCATIONAL EVALUATIONS**
ADHD, Learning Disorders, Autism, etc.
- **NEUROPSYCHOLOGICAL EVALUATIONS**
Assess thinking and mood that may be affected by things like Congenital Disorders, Epilepsy, Traumatic Brain Injury, etc.
- **PSYCHOLOGICAL EVALUATIONS**
Mood, Anxiety, Trauma, etc.
- **VOCATIONAL/CAREER EVALUATIONS**
Identify strengths and weakness, and how they relate to career goals

Fast Facts

- In operation since 1994
- Has conducted more than 4,000 assessments
- Formerly known as the Disability Assessment Research Clinic – DARC
